A Special Announcement from Ms. R in Grade 3

I'm excited to share some happy personal news—I'm expecting a baby! I am due in July and I plan to finish the school year with our class; but this means I will be on Maternity Leave for next school year (2026/2027). I will keep families informed of any important updates. Thank you for your continued support.

MORNING DROP-OFF & BUS STUDENTS

In the mornings when students arrive on the bus or are dropped off by parents, they must go to the middle playground to wait for the bell for breakfast and then enter through the breakfast room door. **No students should be entering the school before 8:30am** as we do not have supervisors available in doors at that time. If it is too cold, or too slippery outside, students are in the gym, which they can enter through the gym/side doors. Musi.
