Fishing Days were a HUGE Success! 🎣🐟

What an incredible few days of fishing! Our students had a fantastic time out on the water, learning, laughing, and making memories together. To top it all off, we caught an amazing **109 salmon!**
A **big thank you to our parent volunteers** who came out and helped make these days possible.

We would also like to give an **extra-special thank you to Vince Prince**, who comes out year after year to support our fishing days and generously drives the boat for us. Vince, your continued dedication and support mean so much to our school community!
Tube cho musi ts'utni - We say thank you very much!
